

24th November 2010

Dear Parents,

**HEAVY SNOWFALL – ADVERSE WEATHER CONDITIONS
AND EMERGENCY SCHOOL CLOSURE.**

As the weather can be so unpredictable at this time of year, a reminder about arrangements for bad weather seems appropriate:

**IN THE EVENT OF HEAVY SNOWFALL OVERNIGHT OR OVER THE WEEKEND, PLEASE
LISTEN TO BBC RADIO LEICESTER 104.9**

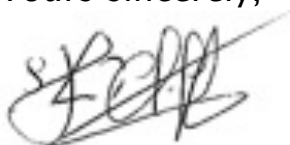

The 'snowline service' will give up to date information on school closures or transport delays.

In the event of sudden heavy snowfall during the day, school transport may run early to take children home to outlying districts. We will always keep children at school if there is any difficulty about them getting into their homes, and will contact parents as necessary.

Obviously every effort will be made to ensure that school is kept open and functioning whenever possible.

Please would you indicate on the attached slip what arrangements you have made should school close early during bad weather, and send this to your child's class teacher by return.

Yours sincerely,

Mr. Steve Cliff.
Headteacher.
